**ANNUAL CONFERENCE REPORT** by *Connie Murdoch and Roni Newman*

Spotlight Church Award

Churches across Michigan are recognized and awarded a certificate when they meet the requirements for becoming a Spotlight Church.

Our church met those guidelines for 2017 and was awarded a certificate again this year at Annual Conference.

To be awarded this recognition, each local church makes a commitment to meet several requirements.

- We must pay 100% of our apportionment's which goes to support district, conference, and general church personnel and facilities.
- Support Conference Ministry and Mission projects.
- Support Global and International Ministries.
- Support Local Ministry projects.

Your tithes and offerings make it possible for God's work to be done in our own community, across our state, and throughout the world. Thanks to you.... God's work is getting done. Thank you Church!

Dear Members of Trinity United Methodist Church,

Thank you for your support of the CAER mission to feed the hungry and provide help to area households. CAER volunteers from your congregation have faithfully served on our board, donated and sorted food, clothing and household items, and given financial support.

In 2017, CAER distributed 177. Boxes of food to 500 families. Outreach money and food boxes are given to clients in southwest Saginaw County. Our free clothing ministry is utilized by many. There is great need in the area we serve.

As CAER plans for the future, we are thankful for the solid foundation your church family has helped us provide.

Thank you for your continued support.

*Marcia Westrick, co-director CAER*

## Slow Down: Back to School Means Sharing the Road

School days bring congestion: School buses are picking up their passengers, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work. It's never more important for drivers to slow down and pay attention than when kids are present – especially before and after school.

If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children.

- Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children
- If the yellow or red lights are flashing and the stop arm is extended, traffic must stop
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks
